4. The short hand points to 7 and the long hand points to 12. What time is it? (e.g. 3:00)

   _____

5. The short hand points to 5 and the long hand points to 12. What time is it? (e.g. 3:00)

   _____

6. The short hand points to 4 and the long hand points to 12. What time is it? (e.g. 3:00)

   _____

7. The short hand points to 2 and the long hand points to 12. What time is it? (e.g. 3:00)

   _____

8. The short hand points to 6 and the long hand points to 12. What time is it? (e.g. 3:00)

   _____

9. The short hand points to 9 and the long hand points to 12. What time is it? (e.g. 3:00)

   _____

10. The short hand points to 3 and the long hand points to 12. What time is it? (e.g. 3:00)

    _____

11. The short hand points to 8 and the long hand points to 12. What time is it? (e.g. 3:00)

    _____

12. The short hand points to 12 and the long hand points to 12. What time is it? (e.g. 3:00)

    _____

ANSWER KEY

Kindergarten Time Worksheet

1. The short hand points to 11 and the long hand points to 12. What time is it? (e.g. 3:00)

   11:00

2. The short hand points to 1 and the long hand points to 12. What time is it? (e.g. 3:00)

   1:00

3. The short hand points to 10 and the long hand points to 12. What time is it? (e.g. 3:00)

   10:00

4. The short hand points to 7 and the long hand points to 12. What time is it? (e.g. 3:00)

   7:00

5. The short hand points to 5 and the long hand points to 12. What time is it? (e.g. 3:00)

   5:00

6. The short hand points to 4 and the long hand points to 12. What time is it? (e.g. 3:00)

   4:00

7. The short hand points to 2 and the long hand points to 12. What time is it? (e.g. 3:00)

   2:00

8. The short hand points to 6 and the long hand points to 12. What time is it? (e.g. 3:00)

   6:00

9. The short hand points to 9 and the long hand points to 12. What time is it? (e.g. 3:00)

   9:00

10. The short hand points to 3 and the long hand points to 12. What time is it? (e.g. 3:00)

    3:00

11. The short hand points to 8 and the long hand points to 12. What time is it? (e.g. 3:00)

    8:00

12. The short hand points to 12 and the long hand points to 12. What time is it? (e.g. 3:00)

    12:00
